Actual construction work shall begin on or before _____

Proof of commencement of work shall be filed before _____

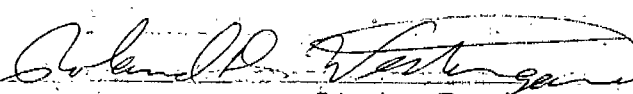

Work must be prosecuted with reasonable diligence and be completed on or before _____

Application of water to beneficial use shall be made on or before _____

Proof of the application of water to beneficial use must be filed with State Engineer on or before _____

WITNESS MY HAND AND SEAL this 10th day

of April, 1969

State Engineer.

SUPPLEMENTAL SHEET.

APPLICATION TO CHANGE POINT OF USE.

Serial No. 4255

Date of first receipt and filing in State Engineer's Office EC 20 1916

The undersigned George R. Holland of Lamoille, Elko County, Nevada, by his attorney, Edwin E. Caine, whose post office address is Elko, Elko County, Nevada, hereby applies to change the point of use of waters heretofore appropriated and beneficially used as hereinafter shown:

1. The source of the water supply of the proposed change is Seitz or Rabbit Creek: The water sought to be changed is to be taken from its source as heretofore, thru Tolyor Ditch No. 2 (See Abstract of Claims of Water of Humboldt River and Its Tributaries at page 168).
2. The quantity of water to be changed is .4 of a second foot.
3. The water is to be used for irrigation.
4. The water is to be diverted at the following point and in the following manner: The water sought to be changed is to be diverted from the branch of Taylor Ditch No. 2 in the SW $\frac{1}{4}$ of the NE $\frac{1}{4}$ of Section 1 in Tp. 32 N.R. 57 E. M.D.M. and then carried on in Taylor Ditch No. 2 to the NE $\frac{1}{4}$ of the NE $\frac{1}{4}$ of Section 36, Tp. 33 N.R. 57 E.M.D.M. whence it will be distributed by means of laterals over the S $\frac{1}{2}$ of the NE $\frac{1}{4}$ of Section 36, Tp. 33 N.R. 57 E.M.D.M., the new point of use.
5. The existing manner of use under the former appropriation was: that said water was used to irrigate the NE $\frac{1}{4}$ of the SE $\frac{1}{4}$ and a portion of the SE $\frac{1}{4}$ of the NE $\frac{1}{4}$ of Section 36 in Tp. 33 N.R. 57 E. M.D.M.
6. The land from which the water sought to be changed has been and is cultivated as follows: Partly hay meadow; partly pasture.
7. The number of acres sought to be irrigated is 40.
8. The number of acres heretofore irrigated is 40.
9. The description of the land proposed to be irrigated is: S $\frac{1}{2}$ of NW $\frac{1}{4}$ of NE $\frac{1}{4}$ and S $\frac{1}{2}$ of NE $\frac{1}{4}$ of NE $\frac{1}{4}$ of Section 36 Tp. 33 N.R. 57 E. M.D.M.
10. The estimated cost of the works is \$150.
11. The time required to complete the works is thirty days.
12. The irrigation will commence early in March of each year and continue until the month of October of each year.
13. The water has heretofore been used during the same period each year for many years.

Remarks. The water hereby sought to be changed will flow into the same drainage channel under its new use as now; in other words the waste water will flow back into the channel of Rabbit Creek just as it now does, and so will not interfere in any way with any user lower on the stream in any manner different than under its present use.

George R. Holland Applicant.
By. Edwin E. Caine,
His attorney.

Compared L.P. Jones

PROTESTED by Mrs. C. Glaser, January 23rd, 1917.
